Dear Josh,

I'd like very much to accept your invitation to stay with you. My present plan is to get from PG to Berkeley on Sun., Aug. 20, probably by train; I don't yet know the schedules. Where will I find your house? If you had other plans for Sunday please don't hang around, as I have a friend in Berkeley whose home will also be open to me. I'd rather stay with you, however, since my time is so short that we may not have too much time to chat.

Because of plans to vacation in New Mexico and visit Denver, I'll only be able to be in Berkeley on Monday and Tuesday; ~~but~~ I'd be glad to give a talk to your class on either day.

Looking forward to seeing you,

Sincerely,

Bernice

My address thru Sat., of course, will be Hopkins Marine Sta., PG.
